*Presidents Message:*

*Happy New Year Governor Isaac Shelby Chapter Compatriots. I hope everyone had a blessed Christmas Holiday. I am Excited as we move into the new year. But I want to touch on how we ended a very productive 2022 on a high note. In the beginning of December we had our annual Pearl Harbor Dinner. The program for the dinner included an amazing presentation by Mike Ditteo on his fathers first person account of the attack on Pearl Harbor. Following informative presentation, we inducted Bruce Klinschmidt and Todd Lineback into our chapter. Next Chaplain Charlie Scott and Vice President Doss oversaw the awards and recognitions portion of the dinner. (a complete list of awards is at the end of my report). The dinner ended with a 12 min. slideshow highlighting the past year.*

*The other highlight of December was Wreaths Across America at Zachary Taylor National Cemetery. Big kudos Compatriot Scott Giltner and and to all of those that played a part in the success. This year we had more wreaths to place than any other year previous. There was also a major change in the unloading and distribution process. Despite the increase and change, the unloading was very quick and efficient. I was not at the actual service due to being at another Wreath Across America cemetery that morning, buy I have heard nothing but positive feedback and compliments about our chapter. again, well done everyone!!!*

*With a new year comes a whole calendar full of events. and our calendar is filling quickly. We are just two weeks from our first color guard event. The purple Heart Monument Dedication in Williamstown. Scott Giltner has been busy adding events and activities, so please check the calendar if you have not done so recently. Lastly, I will touch upon some Revolutionary War dates of importance that happened around this time of year. We are nearing the end of the Ten Crucial Days. Everyone knows about Washington crossing the Delaware on Christmas to attack the Hessian troops in Trenton. But this is how the Ten Crucial Days ended;*

*January 1, 1777:*

*a News Year Day skirmish with British and Hessian troops in Princeton.*

*January 2, 1777:*

*Second Battle of Trenton as the Continental Army battles British and Hessian troops along Assunpink Creek.*

*January 3, 1777:*

*The Continental Army gets third victory over the British and Hessian troops in 10 days with their success in the Battle of Princeton. Afterwards, George Washington moves his army to Morristown, New jersey for their winter encampment.*

*Once again, I want to wish all of you a very safe and Happy New Year.  
I look forward to working with all of you in the new year*

*With Patriotism,  
Patrick*
