Presidents Message :

It is hard to believe it is March already. It seems like it was just yesterday that we were having our Pearl Harbor supper, but in fact we have already moved weeks past Washington's Birthday. Our Chapter Calender is already full of an extensive list of activities, events, and services. I hope you take the time to check it out. And we can use your support at these events. These events are not only for the color guard. Please consider coming out and assisting where needed.

Congratulations to Compatriot Samuel Muncy for winning not only the Governor Isaac Shelby Chapter Eagle Scout Award, but also the Kentucky Society Eagle Scout Award. Hopefully, Samuel will do just as well at the National level. Huzzah Samuel!!!!

Our Tomahawk Raffle is doing well. I think we have sold about 170 of the tickets and it is only March. We are well on our way to adding funds to our Youth Award account. Please think about purchasing a ticket and supporting this project and young adults like Samuel Muncy.

Next, I want to thank Compatriot Scott Giltner for the amazing job he has done over the last 12 months leading the Kentucky Society as State President. This is a thankless job, and Scott has worked extremely hard to advance the state. Next time you see Scott, give him a much-deserved Congratulations and Thank you on a job well done.

Since this is my last newsletter as Chapter President, I want everyone to know what an honor and Privilege it has been serving the Governor Isaac Shelby Chapter. I met many of you in the Spring of 2019. I knew immediately that I wanted to be associated with the Chapter. I never dreamed I would have a chance to be Chapter President. I have had so much and made so many good friends. I look forward to my continued involvement in the chapter as Immediate Past President or That Guy from Lexington.

As I move on, I am excited for my close friend and brother John "Jay" Doss. He is going to be an amazing Chapter President. You only have to look at his passion and Leadership within the Rifle Squad and color guard to know he will work hard for this Chapter. We will continue to be one of, if not the best chapter in the Kentucky Society with Jay leading the way.

*With Patriotism,
 Patrick Wesolosky*
